discounts and FREE benefits too?**

Vista Travel is very proud to announce a new travel program that will raise significant funds for your organization without any cost or expense to you. It's called the Vista Travel Credit Program and it's a "Win-Win" for you and your organization too.

Here's how the program works...it's so easy!

1) Your organization has entered into a strategic partnership with Vista Travel that offers you exclusive travel discounts and other money saving benefits to you and your family.

2) The next time you need to travel for business or take a family vacation call Vista Travel. You will receive exceptional service, discounts and free upgrades when available just by mentioning your organization by name.

3) Once you complete your trip with Vista Travel, an incentive check will be sent to your

organization. The payment will be based on the total cost of the commissionable part of your trip, exclusive of taxes and surcharges.

When you plan your next trip with Vista Travel you'll receive exceptional service, travel discounts and our exclusive Cancel for any Reason insurance and your organization receives a commission check too. That's a "Win-Win"!

Call us and we'll show you how easy travelling can be, and at the same time, raise funds for your organization too.
